

FILTERSORB® CT

The Ultimate Salt-Free Water Conditioner

Scale Prevention Without Salt

Protects pipes, appliances, and equipment without sodium.

No Maintenance Required

No backwashing, no regeneration, no electricity.

Eco-Friendly & Chemical-Free

Safe for the environment and your health.

Compact & Versatile Design

Available in multiple sizes for residential, commercial & industrial use.

Combined Treatment of Cation and Anion Scale

FILTERSORB® CT is uniquely designed to prevent both calcium/Magnesium (cation) and carbonate/bicarbonate (anion) scale — delivering **complete protection** for all water systems.

Made by **WATCH WATER®** The Leader in Green Water Treatment Solutions
