

# FilterSorb MG<sup>®</sup>

ADVANCED MAGNESIUM WATER TECHNOLOGY  
FOR EVERY BIOLOGICAL LIFE ON THE PLANET

THE POWER OF  
CHELATED MAGNESIUM

- Stable**  
Keeps magnesium stable across a wide pH range.
- Soluble**  
Prevents precipitation and scaling, keeping water clear.
- Bioavailable**  
Easy absorption for plants, animals, and human systems.
- Protective**  
Prevents bonding with unwanted elements.
- Enhances Water**  
Improves taste, quality, and overall water balance.
- For All Life**  
Supports every biological life form on the planet - humans, plants, animals, and aquatic life.

**ONE PLANET.  
ONE WATER.  
ONE LIFE.**

Magnesium is essential for every form of life. FilterSorb MG<sup>®</sup> restores and stabilizes magnesium, bringing balance back to our water, our food, and our future.

**SUPPORTING LIFE EVERYWHERE**

- Human Health
- Plant Growth
- Aquatic Life
- Animal Well-Being
- Microbial Balance

WITH EVERY DROP FROM FILTERSORB MG<sup>®</sup>  
**YOU ARE ADDING LIFE**  
TO DRINKING WATER AND FOOD SOURCES

----- IDEAL FOR A BETTER WORLD -----

**DRINKING WATER**  
Pure. Healthy. Life-giving.

**AGRICULTURE**  
Stronger plants. Better yield.

**HYDROPONICS**  
Optimal nutrition. Maximum growth.

**INDUSTRIAL WATER**  
Stabilization. Scale control. Efficiency.

**AQUATIC LIFE**  
Healthy water. Healthy ecosystems.

**HUMAN WELLNESS**  
Hydration. Energy. Balance. Longevity.

**ADVANCED CHELATION TECHNOLOGY**

Encapsulates magnesium in a protective structure.

**STABLE • SOLUBLE • BIOAVAILABLE**

Delivers magnesium where life needs it most.

**CLEANER WATER • BETTER PLANET**

Supporting sustainability for today and future generations.

**SAFE • EFFECTIVE • TRUSTED**

Engineered by science. Trusted by experts. Chosen worldwide.

**DESIGNED FOR A BETTER PLANET**

Because when we care for water, we care for all life.

**FILTERSORB MG<sup>®</sup> - THE NEXT GENERATION OF MAGNESIUM WATER TREATMENT**
