

# FILTERSORB®

## THE NEW STANDARD IN SALT-FREE WATER TREATMENT

Scale

Corrosion

Biofouling

PREVENTION

### Scale Prevention

Nucleation Assisted  
Crystallization (NAC)

Ideal for  
Temporary Hardness

### Combined Treatment of Cation And Anion Scale

Combines NAC (Filtersorb SP3)  
with Exothermic SPA Process

Ideal for High Temporary  
& Permanent Hardness

### Scale, Corrosion and Biofouling Prevention

Combines NAC (Filtersorb SP3)  
with CorrTrapp & AquaRedox

Ideal for Hardness, Organics  
& Heavy Metals (e.g. Well Water)

**NO SALT | NO REGENERATION | NO BACKWASH | NO CHEMICALS | NO ELECTRICITY  
NO MAINTENANCE | NO WASTEWATER | NO CONTROL VALVES**

**5 - 7 Years  
Media Life**
