# LonGeVa™ Water System

**THE WATER YOU DRINK DEFINES YOUR HEALTH**

## OUR ONLY AIM - OUR TRUE GOAL

- ✓ The most tasty water
- ✓ The healthiest water
- ✓ Complete removal of harmful contaminants

Because the water you drink every day is directly affecting your cellular health.

## WHAT IS REALLY IN YOUR WATER?

Your local water may contain:

- ✗ Lead
- ✗ Chloramines
- ✗ Chemical Residues
- ✗ Manganese
- ✗ Chlorine
- ✗ THMS (Disinfection By-Products)
- ✗ Bacteria, Viruses, Pathogens
- ✗ Microplastics
- ✗ PFAS ("Forever Chemicals")

## YOU DRINK THIS EVERY SINGLE DAY.

These are hidden contaminants that can slowly impact your health.

## WHAT LONGEVA™ DOES

- ✓ Removes harmful contaminants
- ✓ Protects your cells and body
- ✓ Improves taste and purity
- ✓ Creates clean, safe water for life

**WATER SHOULD HEAL YOU - NOT SLOWLY HARM YOU.**

## THE LONGEVA™ SOLUTION

- ✓ Protects your entire home
- ✓ Ideal for poor municipal water
- ✓ Advanced filtration technology
- ✓ Supports your longevity

## PROTECT YOUR HOME - NOT JUST YOUR GLASS

### INSTALL A WHOLE HOUSE SYSTEM (POE)

A Point-of-Entry System treats water the moment it enters your home:

- ✓ Every tap
- ✓ Every shower
- ✓ Every appliance

More drinking water.
