

LonGeVa BioActive™

ADVANCED MINERAL ACTIVATION & REDOX WATER TECHNOLOGY

WE UPGRADE WATER TO A BIOLOGICAL SYSTEM.

A REVOLUTIONARY WATER PLATFORM FOR HEALTH, PERFORMANCE AND SUSTAINABILITY.

THE LONGeVa BIOACTIVE™ TECHNOLOGY PLATFORM

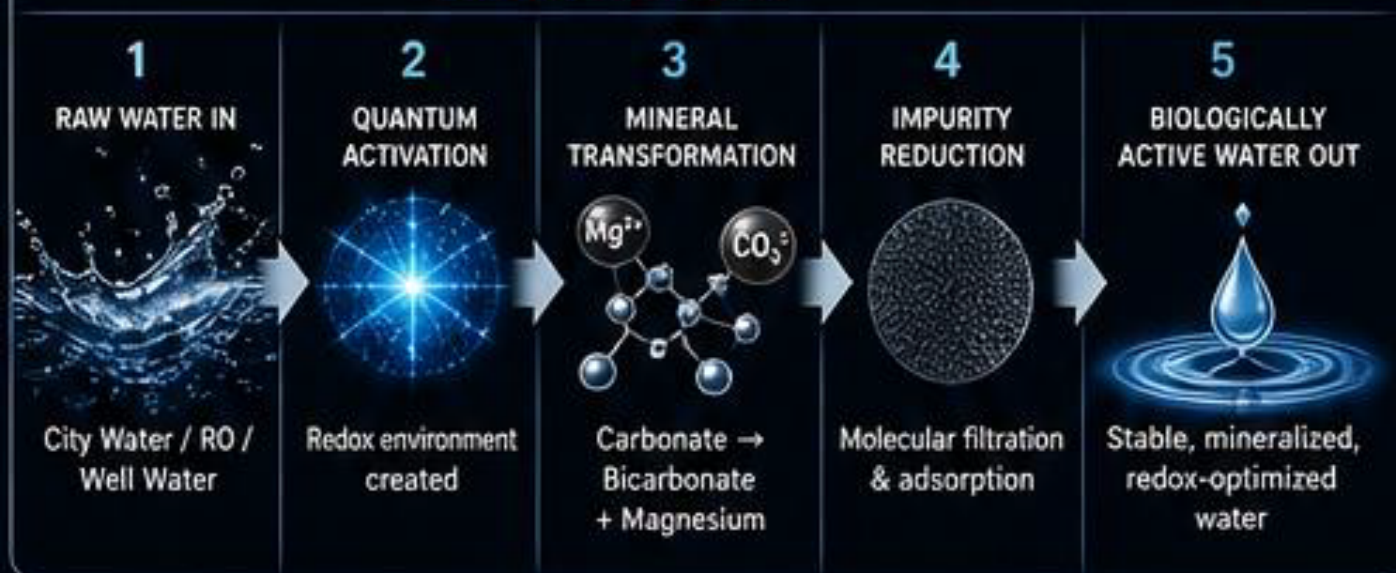

- AQUAREDOX™**
Creates a controlled redox environment that energizes and optimizes water.
- TRAPPSORB™**
Delivers bioavailable magnesium for enzymatic and cellular function.
- FILTERSORB SP3™**
Transforms carbonate to bicarbonate and captures impurities at molecular level.
- CATALYTIC CARBON MG™**
Enhances water clarity, taste and stability while supporting beneficial mineral reactions.
- PROPRIETARY MEDIA BLEND CONFIDENTIAL FORMULATION**

BIOLOGICALLY ACTIVE WATER PROVEN BENEFITS

- ENZYMATIC SUPPORT**
Supports 600+ enzymes involved in metabolism, detoxification and repair.
- MAGNESIUM-ENRICHED BIOAVAILABILITY**
Essential mineral for muscles, nerves, heart and energy.
- MICROBIOME FRIENDLY HYDRATION**
Promotes a balanced gut flora and digestive wellness.
- OXIDATIVE STRESS REDUCTION POTENTIAL**
Redox-optimized water helps neutralize free radicals.
- CELLULAR ENERGY SUPPORT**
Supports mitochondrial function and natural ATP production.
- ENHANCED HYDRATION (ICF + ECF)**
Better water structure for deep cellular hydration.

HOW IT WORKS

LONGeVa BIOACTIVE™ SYSTEMS

COMMERCIAL / INDUSTRIAL POE SYSTEM	PREMIUM RESIDENTIAL WHOLE HOUSE SYSTEM
Flow Rate: 3 – 5 m³/h	Flow Rate: 1 – 2 m³/h
Applications: Hotels Hospitals Commercial Buildings Industry Food & Beverage	Applications: Luxury Homes Villas Apartments Wellness Spaces

WATER TRANSFORMATION EFFECT

	Mg				
CONVERTS CARBONATE TO BICARBONATE	ADDS BIOAVAILABLE MAGNESIUM	IMPROVES TASTE & STABILITY	REDUCES OXIDATIVE STRESS POTENTIAL	SUPPORTS MICROBIOME BALANCE	OPTIMIZES CELLULAR FUNCTION

WHY LONGeVa BIOACTIVE™ IS DIFFERENT

TRADITIONAL SOLUTIONS

- ✗ Single function systems
- ✗ Chemical based
- ✗ Remineralization only
- ✗ Taste correction only
- ✗ Short term effect
- ✗ No biological activity

VS

LONGeVa BIOACTIVE™

- ✓ Multi-function platform
- ✓ Nature + Science based
- ✓ Mineral activation
- ✓ Redox optimization
- ✓ Long term benefits
- ✓ Supports biological systems

THE GLOBAL PROBLEM

- 🌍 Mineral-deficient drinking water
- 🌍 RO "dead water" lacks life
- 🌍 Increasing health awareness
- 🌍 Fragmented and outdated solutions
- 🌍 High operational & maintenance cost

OUR SOLUTION

ONE SYSTEM. COMPLETE TRANSFORMATION.

ALL IN ONE – NATURALLY. SAFELY. SUSTAINABLY.

INVESTOR HIGHLIGHTS

- 🔑 Unique patented technology (Pat. Pending)
- 🔑 Proprietary media – no direct competitor
- 🔑 High margin consumables (cartridges)
- 🔑 Scalable for all market segments
- 🔑 Strong global demand & recurring revenue

SUSTAINABLE BY DESIGN
LOW ENERGY. NO CHEMICALS. LONG MEDIA LIFE.
ENVIRONMENTALLY RESPONSIBLE

BETTER WATER. BETTER HEALTH.
BETTER PLANET.

FOR PEOPLE	FOR PERFORMANCE	FOR PLANET
