

# WATCH WATER

IS PROTECTING EVERY LAKE ON EARTH

BECAUSE EVERY LAKE MATTERS.

SPREAD  
OVER THE LAKES  
NO EQUIPMENT  
NEEDED

## OUR MISSION

To restore the natural beauty, health and balance of every lake through powerful, safe and advanced water restoration technology.

WATCH WATER. PROTECT LIFE. PRESERVE OUR LAKES.

## WATCH WATER REDOXY-3C®

THE WORLD'S MOST ADVANCED LAKE RESTORATION TECHNOLOGY

RedOxy-3C® is an advanced instant powder formulation designed to restore lakes, ponds and reservoirs by combining the power of **Catalyst**, **Strong Oxidizer** and **Stabilizer** in a unique 3-in-1 system.

### POWERFUL ADVANCED OXIDATION PROCESS (AOP) WITH OXYGEN BOOST TECHNOLOGY

When RedOxy-3C® is spread over the water surface, it instantly activates a powerful **Advanced Oxidation Process (AOP)** that breaks down harmful pollutants, organic waste, algae, toxins, foul odors and other contaminants at the molecular level. This process also releases and boosts dissolved oxygen, which is essential for aquatic life.

Certified as to NSF/ANSI/CAN 60 by WQA and IAPMO R&T

### WHY REDOXY-3C® IS UNIQUE

**NO EQUIPMENT. EASY TO USE.**  
Simply spread over the water surface by boat. No pumps, no mixers, no electricity required.

**FAST & POWERFUL RESULTS**  
Starts working instantly on contact with water and provides visible improvement in a short time.

**SAFE FOR AQUATIC LIFE**  
Designed to be safe for fish, plants, humans and the environment when used as directed.

**COST EFFECTIVE SOLUTION**  
Treat large water bodies at a fraction of the cost of traditional methods.

**LONG LASTING IMPACT**  
Continues to work after application and helps prevent the problem from coming back.

### HOW REDOXY-3C® WORKS – THE SCIENCE BEHIND CLEAN WATER

#### 1 APPLICATION

RedOxy-3C® powder is spread evenly over the water surface.

#### 2 ACTIVATION

Upon contact with water, the formula activates immediately.

#### 3 AOP REACTION

Powerful Advanced Oxidation Process breaks down organic waste, algae, toxins and harmful contaminants.

#### 4 OXYGEN BOOST

Dissolved oxygen levels increase, improving water quality and supporting aquatic life.

#### 5 RESTORED ECOSYSTEM

Clean, clear, healthy water with balanced ecosystem and thriving aquatic life.

### TARGETS & REMOVES

- ✓ Harmful Algae & Cyanobacteria (Blue-Green Algae) that cause toxins and bad odors
- ✓ Excess Nutrients (Phosphorus & Nitrogen) that trigger algal blooms
- ✓ Organic Waste, Sludge, Fats & Proteins from decaying matter and sewage
- ✓ Ammonia, Nitrite, Hydrogen Sulfide & Toxic Gases that are harmful to fish and plants
- ✓ Pesticides, Herbicides, Industrial Pollutants and other dissolved contaminants
- ✓ Bad Odors, Black Water, Foam & Scum restoring natural beauty and clarity

### BEFORE & AFTER – REAL TRANSFORMATION

#### BEFORE TREATMENT

- ✗ Algae Bloom & Green Water
- ✗ Low Dissolved Oxygen
- ✗ Fish Stress & Fish Kills
- ✗ Bad Odor & Toxic Gases
- ✗ Dirty, Unhealthy, Unsafe

#### AFTER TREATMENT

- ✓ Crystal Clear Water
- ✓ Oxygen Restored
- ✓ Healthy Fish & Aquatic Life
- ✓ No Bad Odor
- ✓ Clean, Safe, Balanced Ecosystem

### IDEAL FOR ALL TYPES OF WATER BODIES

- 🏞️ Natural Lakes & Reservoirs
- 🌿 Ponds & Farm Ponds
- 🏌️ Golf Course Lakes
- 🌊 Irrigation Canals & Waterways
- 🏙️ Municipal & Industrial Lakes
- 🌳 Recreational Lakes & Parks

### DIRECTIONS FOR USE

- 1 Calculate area of the water body to be treated.
- 2 Spread the required amount of RedOxy-3C® evenly over the water surface.
- 3 Best results when applied during daylight hours.
- 4 Avoid heavy rainfall for 2-3 hours after application.
- 5 Repeat as required based on water condition.

### THE POWERFUL 3-IN-1 FORMULA

**CATALYST**  
Accelerates the reaction and enhances the efficiency of the AOP process.

+

**STRONG OXIDIZER**  
Destroys algae, breaks down organic matter, oxidizes toxins and harmful compounds.

+

**STABILIZER**  
Stabilizes the reaction, ensures safety, controls the process and prolongs results.

=

**POWERFUL AOP PROCESS**  
Clean water, healthy ecosystem, restored life and protection of our lakes for the future.

### SAFE. EFFECTIVE. ENVIRONMENTALLY RESPONSIBLE.

RedOxy-3C® is carefully formulated to provide maximum performance without harming aquatic life, plants, humans or the environment when used as directed. We are committed to a cleaner, greener and healthier planet for generations to come.

CLEAN LAKES. RESTORED LIFE. FUTURE SECURED.  
TOGETHER, LET'S KEEP OUR LAKES CLEAN, SAFE, AND ALIVE FOR GENERATIONS TO COME.
